

Community Meetings — Affordable Care Act (Obamacare)

Change is coming to health care in 2017. You need to know what's happening with your health care, and we want to hear about why health care is important to you.

That's why we're hosting community meetings across Ohio for anyone who has questions about what's next for health care or wants to share their experience with health care, good or bad.

Go online to RSVP at goo.gl/kqxp5w
