# Safety Net Dental Care **Programs in Ohio**

Safety Net Dental Care Programs provide clinical dental services and generally are operated by local health departments, community health centers, hospitals and other organizations that serve the community. Ohio has approximately 100 programs that provide basic dental services and 12 programs that offer preventive care. Safety Net Dental Care Programs offer sliding fee schedules, reduced fees or free care to clients who can't afford to pay a private dentist.

This brochure lists each Safety Net Dental Care **Program** in Ohio and serves as a quick reference for making referrals to these programs. The first section, Primary Dental Care, lists safety net programs that offer basic dental care. Please use this section when referring clients in need of examinations, x-rays, fillings, extractions, partials, dentures, root canals, cleanings and those who have dental emergencies.\* The **Dental Hygiene Programs** section lists dental hygiene programs. Referrals to these programs should be limited to clients in need of annual/semi-annual examinations. x-rays, cleanings and fluoride treatments.

\*Not all clinics provide all of these services. Clients should call individual programs for details.

Visit the for additional dental care resources.
